WINDOW ROCK DISTRICT COURT PROVIDING SERVICES AT NEW SITE

The Window Rock Judicial District Court is open and providing limited services at its new location in the modular building north of the Navajo Arts and Crafts Enterprise store and south of the Ace Hardware store in Window Rock, Ariz. The Window Rock Office of Probation and Parole Services will also be stationed at the new location.

The previous location, on the second floor of the Public Safety Building, is closed until further notice due to a natural gas leak in the building. The Window Rock Judicial District Court will not be returning to the Public Safety Building.

The Window Rock District Court is currently accepting filings at its new location. Affected court hearings that were scheduled for May 22-26, 2017, are being rescheduled. Notices regarding rescheduled hearings will be sent in the mail. Phone service and email access are still being established at the new location and are limited but expanding at this time. The offices of the Supreme Court are receiving incoming calls for the Window Rock District Court.

The Window Rock District Court thanks the public for their patience and understanding. Please check the www.navajocourts.org website for updates.
