

Communication

Step One: Barriers to Communication: Identify Five Common Challenges

Example: Initiatives are planned without consulting other program areas.

1.
2.
3.
4.
5.

Step Two: Enhancements to Communication: Identify Solutions to the Barriers

Example: Before new initiatives are rolled out, consult with other programs who share the same stakeholders and resources.

1.
2.
3.
4.
5.

Step Three: Develop a Communication Statement

Example: We agree to seek collaboration to share ideas and resources by increasing communication of Nation-wide initiatives we plan to implement. We acknowledge that more than one branch, division, department, or district, might be affected, have resources we need, or share the same target population, therefore we pledge to bridge communication using email, the phone and face-to-face discussion whenever possible.

A large, empty rectangular box with a thin black border, occupying the majority of the page below the example text. It is intended for the user to write their own communication statement.
